- B♭ Euphonium B.C.
- B♭ Tuba T.C.
- B♭ Tuba B.C.
- E♭ Tuba T.C.
- E♭ Tuba B.C.
- String Bass

THE COMPOSER

Adrian B. Sims (b. 2000), born in Seattle, Washington, is an accomplished composer, conductor, educator, and trombonist. His music has been performed at prestigious conferences such as The Midwest Band and Orchestra Clinic and at new music reading sessions across the country. His music has also been selected for the Bandworld Top 100 List and many of his works appear on the J.W. Pepper Editors' Choice List. Adrian has also been selected as a winner in multiple composition competitions including the Maryland Music Educators Association Young Composers Project and the MakeMusic Young Composers Contest. He is frequently invited to rehearse, conduct, and lead clinics with bands and orchestras across the United States.

Adrian is also active as an educator in the Maryland area and has worked with a variety of programs including the Baltimore County Summer Music Camp, Terrapin Music Camp at the University of Maryland, and the DC Youth Orchestra Programs.

Adrian is a graduate of The University of Maryland with degrees in Music Education and Composition. As a trombonist, he has performed in a wide variety of musical ensembles including pit and symphony orchestras as well as jazz and concert bands. Adrian studied trombone with Matthew Guilford, solo bass trombonist with the National Symphony Orchestra, and Aaron LaVere, principal trombonist with the Baltimore Symphony Orchestra. He is grateful for the continued support from his middle and high school band directors Cindy Stevenson and Christopher Gnagey. He credits Dr. Robert Gibson, Professor of Composition at The University of Maryland, and world-renowned composer Brian Balmages for his development as a composer.

ABOUT THE MUSIC

Uniquely You is a musical representation of individual expression and the ways that each person finds their place and meaning in the world. Several different musical lines flow throughout the work; sometimes dissonance between these lines arises, but even that dissonance is beautiful. We realize that each of these musical motifs are beautiful both individually and as a cohesive unit. In this world, each person sings their own unique tune different from everyone else, yet each tune is beautiful in its own amazing way.

—Adrian B. Sims
